Sprinkler Fitter Apprentice

Location:

Delaware, Pennsylvania, New Jersey and Maryland

Description:

Wayman Fire Protection, Inc. is a leader in fire protection products. We have expertise in three divisions i.e. Fire Sprinklers, Alarms and Inspections. We offer a complete line of products and services.

Wayman Fire Protection, Inc. is currently seeking qualified applicants for the Local #669 Sprinkler Fitter Apprenticeship program throughout the Tri-state area. This is a 5-year apprenticeship program working side-by-side with a sprinkler fitter installing automatic fire protection systems.

Minimum Requirements:

- Qualified candidates must be at least 18 years old, and have a High School diploma.
- Successful candidates must be self-starters, have a strong mechanical background, and have a good working and learning attitude.
- Qualified candidate must have reliable transportation and have a clean driving record to operate company vehicles.
- Candidate must clear Drug screen test and background check to be considered.

Other Information:

Wayman fire protection is an Equal Employment Opportunity Employer. We also have Co-op positions available to those who qualify. Apprentices are required to join Local #669 and complete on the job training and a 5-year correspondence course towards becoming sprinkler fitter. If you are interested in this excellent opportunity, please submit your attached application to Alisha Bryson a.bryson@waymanfireprotection.com or fax your application at (302) 994-5750.
